

Lewisville Independent School District

Volunteer Background Check

2011-2012 SCHOOL YEAR

Concession/Volunteer Information:

We always need help working the Concession Stand at the football stadium, pit crew, feeding the students on Fridays and in other areas. It really is fun believe it or not!

If the band didn't have the money coming in from the concession stand we would not be able to afford to help the kids with various expense's associated with running the band every year.

Please email the Volunteer coordinator for the Band Club at members_volunteers@tchsband.com

Thanks!!!!!!

If you did not volunteered at the High School level last year, we need a background check done and the form given to the Volunteers Chairman before you can help with the students. Do not do background checks until AFTER JULY 1st! Otherwise you might have to go submit your information again.

Volunteer Background checks are done on the LISD website, www.lisd.net. Hover over **Parents/Students**, slide down to and click on **Volunteers/Background Checks**, click on **Apply Now**, fill out the screen and PRINT BEFORE YOU SUBMIT! Take your print out to the Volunteers Chairman.

CONSESSION INFORMATION:

The band concession stand is the one to the left of the entry gate at the **High School Football Stadium** (Tommy Briggs Field).

There is a gate just past the ticket booth, (directly behind the concession stand) for the volunteers to enter.

Please see the **Concession Manager** at the concession stand at approximately **6:00 - 6:30 pm** on Friday nights, earlier for week night games. When you volunteer we are counting on you to be there!

Also, be sure to bring a hat, or hair (net) restraint. Health Code requires that hair be properly restrained in a food preparation area.

Other Volunteer information will be made available by the Committee Director
