**A remind text will be sent as we depart from the game with an ETA. Please know that upon returning, students are dismissed first, then they must unload the trailers so 111pm may not be the exact time that they get to you. ALSO, cars are not permitted to pick up in the alleyway adjacent to band hall. Parking here will delay the return on the band trailers and therefore delay all students. It's a school night so we do not wish to have any unnecessary delay.

Students will wear their "Summer Band" uniform. For winds and percussion, this entails khaki shorts with black belt, long black socks, marching shoes, and jersey. Students may wear sunglasses while in summer band attire. NOTE that sunglass will not be permitted once we are in full uniform. Additionally, students are welcome to bring money to purchase food after halftime at the concessions.
